WE COMMIT TO

a. Safe recruitment of leaders.

We will screen all prospective leaders in our programs, before they are appointed. (i.e. relevant Working with Children's Check/police check).

b. Adequate training of leaders.

We require that all leaders attend a Child Safe training workshop before commencing in their role and attend a refresher workshop every 3 years. We require all leaders to attend additional specific training as required.

c. Have a clear Code of Conduct.

We will adopt and implement a Code of Conduct for all leaders and volunteers, including boundaries of behaviour and expectations of

interactions with children. All leaders will agree to follow our Code of Conduct.

d. Continued supervision of leaders.

We commit to ongoing training, supervision and support for leaders.

e. Responding to allegations of risk of harm (abuse) and serious misconduct. All leaders will report disclosures or suspicions of child abuse, according to our procedure. We will listen to and believe children who raise concerns.

We will ensure that procedures are clear and appropriate in responding to allegations of abuse.

Where an allegation of misconduct is made against a person in the organisation in relation to a child, we will prioritise support to the child. We will seek appropriate support for the person implicated to protect the safety of the child as the paramount consideration.

f. Responding to other disclosures of abuse.

We will understand the processes of responding to disclosures of abuse and harm including self-harm and suicide ideation.

We will ensure that appropriate training takes place to recognise and respond to indicators of abuse and neglect and receive support for all involved in the disclosure (including the leaders/volunteers).

We understand that responding to abuse is not limited to children, but also includes adults within our programs who may be vulnerable at any given time where abuse could be present and that everyone understands the most appropriate steps to take in supporting our vulnerable people within our community.

g. Provide an open safe environment.

We will afford participants a say in the programs and the activities in which they participate by fostering and valuing their ideas and encouraging participation. We will be accountable and transparent.

We will create a child-friendly environment, allowing people to raise their concerns in an appropriate manner. We will obtain appropriate information relating to the program participants, including children's health and family situation, to ensure that we are able to care for their physical and emotional needs.

h. Understand and value diversity.

We will be mindful in our approach for all programs to be inclusive for all people. This includes adapting programs for anyone with a disability to receive access to various programs, as well as provide adequate training for leaders.

We will be sensitive to those from 'Culturally and Linguistic Diverse' (CALD) backgrounds and those within the Aboriginal and Torres Strait Islander
