

How can we help one another during this time?

Talk, Text, Message, Wave, Smile or just nod at One Another

This is a trying time for many; financial, family social pressures add to the fear of infection and death. Simply ask “how are you going?” or drop a note in a letter box to let people know you care. Do tell someone if you have any concerns; call the Covid hotline (1800 675 398) or refer to the professional support available.

Donate a Cooked meal

A number of Anglesea cafes/restaurants will accept your payment for a cooked pizza/meal that will then be delivered either as a meal or a voucher to someone in need.

Contact by Facebook or call Anglesea Pizza (5263 3563, who are matching your donation), Offshore Catering (5263 3644) and The Coast (5263 1683) to donate a meal.

Nominate someone or yourself to receive a Cooked meal

If you or someone you know would appreciate a cooked meal nominate them or yourself with the local restaurants directly or, if you prefer to be anonymous, call or email Michael (0435 661 700, loveanglesea@gmail.com) and we'll pass on the request.

Feed the Surf Coast will deliver free cooked meals from Torquay to the Surf Coast. Call Brooke 0438 614 790.

Donate non-perishable food or personal care items

Foodlink is a community based, emergency food relief program for Anglesea & Aireys Inlet residents providing fortnightly deliveries. Make a donation in the Foodlink box out the front of the Anglesea IGA.

Similarly, the Anglesea community have prepared “care boxes” that have been delivered to the elderly in Anglesea. Donations for these can be left at the community space next to Seaside Seconds or call Wendy (0419 616 676).
