EFT DIRECT GIVING via ADF Parish Account

Electronic giving is one way to contribute to the ministry of the parish, and a method which facilitates regularity. Your personal privacy is protected as the parish can only see the total of the amounts given in the Parish account, without being able to identify individuals.

If you would like to give this way, take a form from the foyer, fill it in and mail it off. Laminated slips are available in the foyer for you to place in the offertory bowl, so you can participate physically in worship during this part of the service.

An Alpha course - is planned at Anglesea in October to explore questions of faith in an open and non-confrontational environment under the leadership of the Baptist church. It is useful as a faith refresher, as well as an opportunity to invite non-Christian friends to. Alpha has general acceptance and has been run across all denominations.
