All gatherings at our centres are suspended until further notice

Church, home group and craft group cannot meet at present. We are permitted to exercise outside with 1 other person - this is the way to safely have a chat instead of sitting in a cafe or home. With the limiting on gatherings overall, council are not opening services yet. We will revisit our current plan at the planned end to the state emergency in the week of 13th September.

Stage 3: No visitors, face masks/coverings and 4 Reasons for leaving home:

- to shop for food and essential goods or services
 - to provide care, for compassionate reasons or to seek medical treatment
 - to exercise or for outdoor recreation with your household, or one other person
 - for work or study, if you can't do it from home
- + You can leave home if there is family violence, or violence by another person in the home, and you are at risk. If you are stopped by police, tell them you are feeling unsafe at home and they will help you. Safe accommodation and support for family violence is available. Call Safe Steps on 1800 015 188 or email safesteps@safesteps.org.au for help 24 hours a day, 7 days a week.

If you have come into contact with the virus seek medical advice, by phoning your GP first, to get their instructions. It may be difficult to tell if you have COVID-19 or only a cold or hayfever. Please advise Sharon or Council of a positive result, as it may require us to take steps for the Parish. Information on the COVID-19 virus, the all hours hotline is 1800 020 080. We have online church options, readings sheets and news, and other material on the website.

Surfcoast Parish acknowledges the Wadawurrung community as the traditional owners of the land on which we worship. We pay our respect to their elders past, present and emerging.

General News

August 30th Prayer Day - Today we are be sharing in an initiative of the Baptist Church in Anglesea and the Vic Council of Churches. A combined day of prayer. We have some written prayers by Kaye, Carmen and Lydia. A video from Terry and Linda, a link from other churches via the VCC and a message from Archbishop Steven Cottrell attached as a link, which we heard in a Diocese forum this week courtesy of St Peter's Eastern Hill. May you be blessed and encouraged in your days and in your praying.

Share good books or recipes you have been enjoying, maybe you have some cuttings others might like for their garden. We can use our website and mailouts to share encouragement in our community.

Birthdays - Several folk have already had some zero birthdays...Helen Reed has one coming up September, and I'm sure there's some others coming up. If someone you know in the parish is having a significant birthday, take the time to call or send a card, or drop something at their door, perhaps drive past and toot your horn.

We were not successful for a **Diocesan Crisis Support Grant** of \$20 000, we will apply again in Sept and continue to be in conversation with the Bishop.

We are in the process of setting up the **Op Shop** for online sales, (thanks Ken) to provide for people's needs in financial difficulty, to keep in touch with the community and to begin to create some income again from this source. If you have done any tidying up at home and have some items to donate to the shop, we are not taking donations at present, but will be in touch when this begins to occur again.

Churches and businesses across Victoria are facing ongoing pressures as the months go on. Keep us in your prayers, that we might have wisdom and creativity in the use of our current resources, and vision for present and future directions. Continue to support each other, shop locally, and pray for Victoria, as you stay safe yourself.

EFT DIRECT GIVING via ADF Parish Account

Electronic giving is one way to contribute to Parish ministry regularly while keeping your privacy protected. If you would like to give this way, **take a form from the foyer or the website**, fill it in and mail it off. Laminated slips are available in the foyer for you to place in the offertory bowl, to participate physically in worship during this part of the service.

BANK GIVING during Corona Virus Isolation

If you are not able to make use of the ADF giving pathway, we encourage you to deposit your contribution to the Parish account at the Bendigo Bank, or contact Ken for some envelopes and drop giving into a Warden's home in the envelope. Any cheques must be made to Surfcoast Anglican Parish.

Council is in the process of organising the building work on new steps leaving the Cashin door and the doors between the hall and meeting room at St Luke's. The first was in bad condition and is the first stage of the ramps project, and both projects have had donations sitting in parish accounts for some time. It was decided to complete these two jobs in keeping with the intention of the donations, and as good stewardship of money already allocated in the budget. If you are interested in contributing any funds to either of these projects contact the wardens.

Pastoral Care

Your Pastoral Partner is your main contact with the parish network to provide care and assistance. We encourage you to call your Partner if you need a visit or practical help, are feeling anxious or stressed, need a chat or are uncertain about what is happening. Sharon is also available for conversation, and can most easily be reached on her mobile or home email address.

Except for emergencies, Sharon is now not able to visit in homes. However if you are needing a chat, prayer or a visit please call and we can work out what might be possible within guidelines.

Complaints

The Parish takes all complaints of misconduct very seriously. Kooyoora Ltd, Professional Standards company has been appointed by the Melbourne Diocese to respond to misconduct including sexual, physical, spiritual or emotional abuse and to provide support to people who make complaints about abuse and other misconduct by Anglican clergy, church officers, leaders, employees and volunteers in the Anglican Province of Victoria, including Op Shop leaders and volunteers.
