Sunday Services are now at Torquay and Anglesea

COVID updates - Masks are not required indoors but the Diocese recommends wearing masks during singing and for those serving communion.

We have been reminded by the Diocese and DHHS that we are not to use books during services. This means we must always use the projector at Torquay and find a solution for this for Anglesea services.

Church services and the op shop are operating with the 2sqm rule where with QR codes.

Weddings and funerals can occur as previously under the same rules for church services.

30 visitors can be at a private home, inside or out, which relates to craft group and home group.

If you are unwell and showing symptoms of COVID, which are like symptoms of a cold, get tested and isolate while waiting for the results. Results are returned very quickly now, often in 24hours.

Surfcoast Parish acknowledges the Wadawurrung community as the traditional owners of the land on which we worship. We pay our respect to their elders past, present and emerging.

Parish Mission (*our purpose*)

Surfcoast Anglican Parish exists to:

- nurture people's relationship with God;
- encourage people by example to live by the teachings of Jesus;
- engage and work with the broader community.

Parish Vision (*our aspiration*)

An enthusiastic and welcoming Church valued for its contribution to the wellbeing of the Surf Coast community; and for providing ways for people to explore their spirituality.
