Sunday Services are now at Torquay and Anglesea

COVID updates - No masks required the Diocese recommends wearing masks for those serving communion.

We have been reminded by the Diocese and DHHS that we are not to use books during services. This means we must always use the projector at Torquay and find a solution for this for Anglesea services.

Church services and the op shop are operating with the 2sqm rule where with QR codes. If you don't sign in with the QR code we need to do 4sqm.

Weddings and funerals can occur as previously under the same rules for church services.

100 visitors can be at a private home, inside or out, which relates to craft group and home group.

If you are unwell and showing symptoms of COVID, which are like symptoms of a cold, get tested and isolate while waiting for the results. Results are returned very quickly now, often in 24hours.

Surfcoast Parish acknowledges the Wadawurrung community as the traditional owners of the land on which we worship. We pay our respect to their elders past, present and emerging.
