The Guest House - Rumi

This being human is a guest house.
Every morning a new arrival.
A joy, a depression, a meanness,
some momentary awareness comes
as an unexpected visitor.
Welcome and entertain them all!

Even if they're a crowd of sorrows,
who violently sweep your house
empty of its furniture,
still, treat each guest honourably
He may be clearing you out
for some new delight

The dark thought, the shame, the malice,
meet them at the door laughing,
and invite them in

Be grateful for whoever comes,
because each has been sent
as a guide from beyond

Surfcoast Parish acknowledges the Wadawurrung community as the traditional owners of the land on which we worship. We pay our respect to their elders past, present and emerging.

Parish Mission (*our purpose*)

Surfcoast Anglican Parish exists to:

- nurture people's relationship with God;
- encourage people by example to live by the teachings of Jesus;
- engage and work with the broader community.

Parish Vision (*our aspiration*)

An enthusiastic and welcoming Church valued for its contribution to the wellbeing of the Surf Coast community; and for providing ways for people to explore their spirituality.

General News

Leave - Sharon is on leave between the 17-29th September. She is contactable via email or phone if it is urgent. Otherwise please contact Ken Farrow or Margaret Vise as wardens. On the 19th there will be no service at Transfiguration, and Jess Clement will lead Morning Prayer at St Luke's.

Fr Irwin will take the service on 26th at both centres. The following Sunday is the first in the month where I stay with Anglesea, and Fr Irwin takes a no projector service at St Luke's, then the Bonnici's take Taize at 6pm.

I expect we will have the current 20 person limit. This is fine for Anglesea but means **you must book in with Roger for St Luke's**. Of course we may have unexpected changes, and these will be passed on as soon as the Diocese has notified us after the Premier's announcement.

NCLS - This year we will participate in October/November, aligning with the National Census on August 10. More info will follow.

Transfiguration - Over the last year Sharon has spent time researching, thinking and praying about a way forward for Transfiguration as a congregation and as a part of the community in Anglesea. She has joined the Community Action Group, Housing Working Group and Seaside Care board with the Baptist Church to connect and understand the needs and be involved in the work already taking place in the town. Other expert advice has come from a working group connected to Transfiguration and seminars. She now has proposals to help form a plan for this centre before Council, and will speak with Transfiguration soon about these. If Transfiguration can send feedback on the recent letter sent regarding this it would be most appreciated.

Parish Council 2022 - We are moving toward the AGM/APM. We must consider whether we have a council of 6 rather than 9. The present Council have discussed options and are proposing to the APM that a decision be made when we meet. We will send out a pros/cons of each option. Please read and consider. In 2021 we have had 8 of 9 on Council. Roger Brown is now off Council in the Shop, and Margaret Vise is due for a sabbatical year. So our current mix will be down to 6 of 9 required in 2022.

EFT DIRECT GIVING via ADF Parish Account
