Surfcoast Anglican Parish

God of truth uncovered, you trace the sparrow's flight,
and plumb the secret places of the heart:
bring your fear and conflict into the light of your presence;
help us to lose our hollow life and find our way to you.

— Steven Shakespeare

Surfcoast Parish acknowledges the Wadawurrung community as the traditional owners of the land on which we worship. We pay our respect to their elders past, present and emerging.

Parish Mission (*our purpose*)

Surfcoast Anglican Parish exists to:

- nurture people's relationship with God;
- encourage people by example to live by the teachings of Jesus;
- engage and work with the broader community.

Parish Vision (*our aspiration*)

An enthusiastic and welcoming Church valued for its contribution to the wellbeing of the Surf Coast community; and for providing ways for people to explore their spirituality.

Baptisms - Zachary and Eleanor Cullen will be baptised at Transfiguration on 15th July and Milana Ritchie at St Luke's on 23th July.

Parish Council - We are waiting for our ramp plans to be updated, and then submitted for approval and building. We are advised the whole roof at St Luke's will need replacing, we have leaks already and are seeking quotes. The Parish is taking over the registration costs of Mainly Music for our 2 centres. St Aidan's will be hired by St Kilda Community Baptist Church for a retreat in October. Plaques for the picnic tables at St Aidans are now attached. Council will now meet at 2pm on the 4th Wednesday.

Pastoral Support Team Report - The PSTeam and Bishop noted the willingness of people to be involved and open in the conversations. Several items are being addressed: future of the parish is in discussion at LyCiG, in Reimagining the Future and other conversations. Further understanding of the needs of an elderly congregation are needed but work is being done to in this area. There are different expectations of the role of Vicar in a multiple centre parish. There has been breakdown of communication between some members and the vicar and a need for work on respectful dialogue and listening, as well as conflict management. Governance issues continue to be a concern and need ongoing attention and understanding.

Council discussed all the matters, noting an improved atmosphere but ongoing concerns, they reflected on communication gaps and how they might be addressed.

It is not possible for Sharon to have a regular day in the office but appointments can always be made. She always carries her mobile phone and makes appointments as soon as possible. A message can be left under the office door or in the perspex box, or by email. Needs and concerns must be brought to the attention of the Council or Sharon if they are to be addressed.

Rev'd Wendy Gravolin will be at Bellarine Gateway, and Rev'd Lankiri Thaba from Cape Town will be at Christ Church Geelong.

Leading your Church into Growth (LyCiG) - At our second meeting we looked at Prayer, the Presence we have in our community, the Proclamation of the Good News, and Persuasion, in terms of opportunities for people to learn more about faith in God. We are encouraging you to pray this prayer and we are looking at how we might refresh our Prayer list on the readings sheet.
Please take a fridge magnet with the Prayer for Growth from the foyer.
